

CopyrightsNow®

Innovation Reimagined and Transformed for U. S. Copyright Registrations!

2019 Supreme Court Ruling: Requires copyright registration before filing a lawsuit to protect and enforce your rights!

Mobile App protects authors' and publishers' creative works from piracy and illegal use!

- Simple, quick and easy copyright protection
- No forms to fill-out and no complex procedures
- Simple 3-step process – takes only 5-minutes or less!

“We’re excited to team with Digi-Rights® to launch CopyrightsNow® App. We’re impressed by its ability to simplify application for federal copyright protection... eliminating lengthy forms and complex procedures.”

Beat Barblan, Director of Identifier Services

PROTECT YOUR WORK FOR LIFETIME PLUS 70 YEARS!

Under U. S. copyright law creators of original works must register copyrights within 3-months of publication and before any infringement to preserve their full enforcement rights and claim up to \$150,000 in statutory damages plus attorney fees.

* CopyrightsNow is not affiliated with or endorsed by the U. S. Copyright Office

3 Easy Steps for Copyright Protection

1 - Submit your Copyright Application using CopyrightsNow® App (for Mobile or Desktop)

2 - Pay low processing and filing fee and upload a PDF copy of your work

3 - Receive your Official Copyright Certificate directly from the U. S. Copyright Office

CopyrightsNow.com

e-Registration

Enforce your Copyrights under Supreme Court ruling

- CopyrightsNow® is a Mobile App for iPhone, iPad, Android and Desktop
- Simplifies and automates protection from plagiarism and illegal copying
- Provides Lifetime protection (plus 70 years) for one low fee!

How does CopyrightsNow® work?

- CopyrightsNow® utilizes patented transformation processes and artificial intelligence to present a simplified and intuitive user interface for filing copyright registrations with the U. S. Copyright Office
- CopyrightsNow® performs extensive validation checks to determine the lowest-cost application, validates data consistency and transforms data into a compatible format for automated electronic filing with the U. S. Copyright Office e-CO System
- Most errors are reported 'real-time'... potentially saving months of delay or rejection
- Each application is reviewed by a **Specialist** within 48 hours for any inconsistencies!

CopyrightsNow® Benefits

- Designed for non-technical authors, novice users and professionals
- Saves time for a typical registration... taking only about 5 minutes to complete!
- Saves money by suggesting the lowest-cost registration type (for your specific work)!
- Protects works created in North America, UK, Europe, Asia, etc. with International treaties*
- Available 24/7 anywhere from mobile device or desktop PC
- Simple interactive step-by-step screens with on-line help
- Electronic filing saves legal fees and reduces filing fees by \$30-\$50 (over paper filing)
- Real-time validation... checks your application for inconsistencies in 'real-time'
- Optional APIs, XML feeds or spreadsheets to batch process your copyright information
- A proven platform with over **100,000 transactions** processed by leading publishers!

Note to Publishers and Agents

Join the Affiliate Program to offer this App to your Authors and Publishers as a 'Value-Added' Service on your website... and earn commissions!
